(Rev 28/08/07)

<b>Availability:</b>	12kg buckets (45 per pallet)
<b>Recommended Usage:</b>	20g per 100kg liveweight.
<b>Directions For Usage:</b>	Ad-Lib.

**Nutribio Product Code: 2341**

### Product Benefits

- Contains a unique blend of **Aniseed oil, Eucalyptus oil and Menthol Crystals**, natural ingredients that aid breathing.
- Contains **Bio-Mos**, a complex carbohydrate that has been scientifically proven to help the immune system. Bio-Mos helps the calves' immune system by preventing harmful bacteria attaching to the gut wall and by improving the absorption of vital nutrients.
- High levels of **Vitamin E and C** to ensure healthy calves with strong disease resistance.
